The background is a solid teal color with a series of thin, dark teal lines that create a wavy, undulating pattern across the entire surface. The lines are more densely packed in some areas and more spread out in others, giving a sense of movement and depth.

The background is a solid teal color with a pattern of thin, dark teal lines that create a sense of depth and movement. These lines are arranged in a series of parallel, slightly curved bands that sweep across the frame from the top left towards the bottom right. The overall effect is reminiscent of a stylized, modern architectural facade or perhaps a close-up of a textured material like wood or stone.
